General Information

The publication language is Russian and English. All authors must take care of the language revision by they own. The language must be clear and accurate. The work should be written in an impersonal style. The editor reserves the right to send the manuscript to be reviewed.

Format of Manuscripts

Abstract

The first page of the manuscript must begin with the title of the paper and an abstract which should not exceed 300 words. For papers reporting original research, state in brief: the primary objective (the research questions addressed or any hypothesis tested); the research design; the methods and procedures employed; the number of subjects; the main outcomes and results; the conclusions drawn from these data and results, including their implications for further research or application/practice.

Key words

Please provide 3 to 5 key words or short phrases in alphabetical order.

The structure of the manuscript (recommended)

The body of the text of the manuscript must generally have the following parts:

- abstract;
- introduction;
- methodology of research;
- results of research;
- conclusions and discussion;
- acknowledgements;
- references;
- summary (only for manuscripts which main text is in Russian).

P.S. The structure of paper can be different if the paper is only theoretical qualitative research.

The length of the manuscript

The manuscript should be not shorter than 4 pages (including references, tables and figures). Manuscripts should be typed on A4, in Times New Roman 12-point font size, single-spacing, 2,5 cm with all the margins, word-document (Word 6.0 or later) format.

Titles

The **name** of the paper 14-point, bold with capital letters, centred; **titles** in the text: 12-point bold, not numbered; **sub-titles** 12-point, italic, not numbered; before a title of subtitle 2 empty rows, after 1 empty row before text. Text chapters must be separated with 1 empty row.

Tables and Figures

Tables and figures should be valuable, relevant, and visually attractive. Tables (made with Word) and figures must be referred to in the text and numbered in order of their appearance. Each table and figure should have a complete, descriptive title; and each table column an appropriate heading. The texts in tables and figures should be 10-point and their width should be 12 cm at maximum. The figures should be in form of .jpg (if not done with Word); resolution 1200 dpi. Figures, tables (*black and white colour*) and captions should be inserted within the manuscript at their appropriate locations.

References

The title „References“ must be used. APA style for writing references in the text and in the reference list must be used. References in the text should be presented in brackets (Knox, 1988; Martin, 1995). If necessary, the page can be indicated: (Martin, 1995, p.48). The list of references should be presented after the text.
